

Josephine Wong Sai Fong
Executive Director of Ademco (Malaysia) Sdn Bhd

Ms Josephine Wong has 26 years of experience in the Security and Fire Industry. She graduated with Business diploma in Management and Marketing. In 1984, she was employed by the Far East region of PITTWAY Corporation, USA as a Manager in Ademco (Malaysia) to oversee their representative office in Malaysia.

In 1987, she joined INDUSTRONICS BHD (a public listed company) when it bought over the controlling interest in Ademco (Malaysia). She is currently Executive Director and in this capacity is – actively involved in the overall corporate, strategic and operational aspects of Ademco (Malaysia).

She plays an active role in the Security and Fire Industry. She has contributed her extensive experience and skills to the further development of the industry through her service in various industry associations such as Asian Professional Security Association and Malaysian Fire Protection Association.

She has been a member with the Asian Professional Security Association (APSA Malaysia) for the past 10 years and currently served as an EXCO member. She also held the position of a Honorary Treasurer for APSA International. She is a member with the Malaysia Crime Prevention Foundation since 2007 and American Society for Industrial Security (ASIS) since 1993.

She has been with the Malaysian Fire Protection Association (MFPA) for the past 22 years and served as the first lady President from 2009-2011. Currently she is the immediate Past President of MFPA and in MFPA Board of Governor. She is also the chairperson of (Dry) Fire Protection Committee in MFPA.

She is a committee member involved in the Malaysian Standards development process for the (Dry) Fire Protection Technical Committee in Standards & Industrial Research Institute of Malaysia (SIRIM). She also serves as the working group chairperson for the drafting of MS Standard of Fire Detection and Fire Alarm Systems- Part 14.

She has participated in Construction Industry Development Board Malaysia (CIDB) as one of the member in the development process of National Occupational Skill Standard (NOSS) for Fire Protection. She has also served as one of the member as Expert Panel in Fire Protection Maintenance industry by Department of Skills Development

(JabatanPembangunan Kemahiran), Ministry of Human Resource.

An enterprising lady who aspires to burn forever with flame in the hearts of security practitioners and others who interact with her....a subject matter expert in fire systems and has achieved an outstanding accomplishment in this field...first ever lady to be the President Malaysian Fire Protection Association.....comment by ramli bahari.
