

Mior Roslan bin Dato' Mior Mohd Jaafar, KSD

Mior Roslan has a Master of Art in Defense and Strategic Studies (UM 2005), Advanced Diploma in Strategic and Security Studies (UKM 1994) and Diploma in Strategic & Security Studies (UKM 1989).

His other qualifications include Executive Diploma in Accounting Administration (UM), Diploma in Human Resource Management (MIHRM), Post Graduate Diploma in Chartered Institute of Marketing (UK) and Certificate in Company Administration (CiCA).

He joined the police force as senior police officer in 1978 and opted for early retirement in 1995. During tenure in the police force, he served the Special Branch and later in Special Action Unit (UTK) commanding the sniper team. Apart from that he had several oversea assignments in providing executive protection for the 5th Prime Minister of Malaysia, Tun Dr Mahathir Mohamad, whose official visits included nations like India, Egypt, Libya, Saudi Arabia, Greece and Philippines.

In 1989 he served as Chief Security Officer Istana Negara for the 9th Seri Paduka Baginda YDP Agong, Raja Azlan Shah in 1993. His oversea assignments included executive protection for the royal visits in China, Korea and Hong Kong.

After his early retirement, he joined the private sector where his services included as security manager at Puncak Niaga Sdn Bhd (1995), The Ascot Hotel Kuala Lumpur (1999), Sheraton Imperial Kuala Lumpur (2001), and Motorola & Freescale Semiconductor (2003) and as Nestle Country Security Manager Malaysia and Singapore (2007) when he had his training stints in Switzerland.

In 2008 he took up the position of Asia Regional Security Manager for ON Semiconductors where his area of responsibilities included Malaysia, Thailand, India ,

China, Hong Kong, Japan and Philippines till 2010 when he decided to move to National Defense University as a senior lecturer.

Mior is a member of Asian Professional Security Association (APSA), Retired Senior Police Officers Association (RESPA), Association of Certified Fraud Examiner (ACFE) and American Society of Industrial Security (ASIS) and a member of Malaysian Crime Prevention Foundation of Selangor (MCPF Selangor).

Currently, he is pursuing his PhD in History with University Malaya.

'An executive protection specialist with diversified experience that included sectors like utility, hospitality, food and manufacturing environment Associate Professor in the making too'.....comment by Ramli Bahari
