COURSE TITLE:

An Assertive Security Practitioner

Online
Learning

ABOUT THE PROGRAM:

Being assertive involves taking into consideration your own and other people's rights, wishes, wants, needs and desires. Being an assertive security practitioner means being able to stand up for his own or other people's rights in a calm and positive way, without being either aggressive, or passively accepting 'wrong' and most importantly is able to get his point across without upsetting others, or becoming upset himself. He achieves what he wants without hurting the feelings of others.

COURSE OBJECTIVES:

Participants will learn and adopt the skills, behaviours and characteristics of an assertive person in order to gain recognition as an Assertive Security Practitioner.

TRAINER:

Ramli Bahari, an experience security practitioner, consultant, writer and teacher in wide spectrum of security disciplines. He is the author of the book entitled Teras Keselamatan.

COURSE FEE:

RM350-00 per pax

COURSE TITLE:

Handling Difficult Situations

Online
Learning

ABOUT THE PROGRAM:

This program begins with awareness of the potential dangers and the identifying the signs of potential violence at workplace. Participant will use the right techniques to deal with dangerous behaviours at the same time ensuring their personal safety. The real challenge here is the communication skills techniques, taking into consideration that violent behaviours do come from the security fraternity itself. The team approach to handle violent behaviour is the priority.

COURSE OBJECTIVES:

Participants will learn the potential dangers and its implications at workplace and have the ability to handle the situations in a timely manner as an effective Security Practitioner.

TRAINER:

Ismail Idris, BSc (HRD-UPM), senior PDRM Police Officer who has served crime and narcotic division. He excelled as criminal investigator and court prosecutor. Coupled with 8 years of experience in the security industry, he attained distinction in handling numerous fraudulent practices in Corporate world. Currently, he serves as the Head of Security Percetakan Keselamatan Nasional.

**Certificate of attendance will be awarded upon completion
of the program.**
